WELCOME TO THE HAGUE

Dear Colleagues,

We are delighted to announce that the 15th International Conference of the Metabolomics Society will be held in The Hague, The Netherlands June 23-27, 2019 at the World Forum Conference Centre. The World Forum is a full-service international convention centre, located in The Hague between the beach and the city centre and is reachable within the hour from Schiphol Airport and Rotterdam The Hague Airport. The Netherlands has a strong history in Metabolomics, both in academy as in industry. This year we want to make a big success of the conference by working together with other European metabolomics associations and by highlighting the applications of metabolomics in biological research.

Sponsorship and exhibitor opportunities are now available. This year we will have exceptionally good exhibitor opportunities, as the conference will be laid out on a single floor: all meeting rooms and exhibitor space are located together on Level 0, thereby we have an optimal flow of visitors to your booth. The conference is the official meeting of the Metabolomics Society, and the largest metabolomics meeting worldwide, bringing together all the major international organizations involved in human, plant, microbial, animal and environmental metabolomics.

We expect this to be the event in 2019 for metabolomics researchers from around the world, we aim to welcome over 1,000 visitors, where established experts and the rising stars of the future will present their work in a combination of plenary and keynote talks, many parallel scientific sessions, poster presentations, and educational workshops.

The conference will attract a high proportion of senior scientists with top level purchasing authority. By taking advantage of the fantastic Exhibition and Sponsorship packages available, you will have the opportunity to position your brand and products at the forefront of the scientific community.

Your support is extremely important to the success of the meeting, helping to keep registration costs down which allows more of our younger scientists to attend, while providing you and your colleagues with the opportunity to meet and discuss advances in the field with a wide audience.

We look forward to working with you and welcoming you to The Hague!

Reasons to become a Sponsor of the 15th International Conference of the Metabolomics Society

Industry partnership is at the heart of this event

Delivery through a partnership with industry has been at the heart of the Metabolomics Society conferences since the beginning. Our sponsorship packages have been carefully shaped to meet the commercial imperative of our industry partners. We understand your needs and how to meet them while adding value to the experience enjoyed by our delegates.

Involvement in Metabolomics 2019 is all about building brand awareness

Our exhibition area is positioned to capture maximum customer engagement during lunch, breaks and poster viewing sessions. There are a range of opportunities to suit every budget, keeping your brand front and center in the minds of delegates. Sponsors will also benefit from enhanced brand exposure in web and printed material, before, during and after the event when applicable.

Meet new contacts and strengthen key relationships

Maximizing networking opportunities for our delegates is an important priority. We work hard to provide places and opportunities for formal and informal networking. Dedicated meeting spaces include an integrated exhibition area where all refreshments will be served.

The World Forum is an ideal venue for staging this event, open foyers and meeting spaces will achieve a valuable experience for our delegates and sponsors alike.

The next step

Supported by a loyal and growing base of sponsorship partners, in recent years there has been very significant interest in many of the sponsorship opportunities. A prompt decision will increase the chances of you securing the package and placement you want and realizing the full benefit of your investment – including your logo on the event website and in advanced marketing.

Please note that sponsorship packages will only be confirmed once registration and payment has been made. This will be managed strictly on a first-come first-served basis.
